MSB Bike and Ped Plan Steering Committee Meeting

Monday, July 18, 2022
2:30 - 3:30 pm

Meeting Agenda

1. Call to Order
2. Review of Conditions & Issues Report
The draft Existing Conditions and Issues report was presented to the Steering Committee and comments were requested.
3. Review Recommendations report
The draft Recommendations report was presented to the Steering Committee and comments were requested. It was noted in the report a photo was incorrectly labeled. A recommendation was made to have the MPO have a bike and ped committee.
4. Schedule for next steering committee meeting
Plan to have an August meeting the week of the 22nd.
5. Steering Committee Comments
Discussion to have comments from the interactive map summarized into a handout.
There is no bike and pedestrian count.
The Safe Routes to Schools has some information and language that could be useful in data collection.
It was recommended that the project staff reach out to the borough engineer.
ATV use on pathways is a common problem throughout the borough.
It was recommended that there be a network view that includes city boundaries.
6. Adjournment
The meeting was adjourned at scheduled time

Next Scheduled Steering Committee Meeting – **TBD**, to be held via Microsoft TEAMS Meeting
